Complaining That They Are Discriminated Against by the Administra-tion-Missionary Work for Prosi-

dent Harrison.

The revelations of the plans for a re voit of North Carolina leaders against the white politicians of the State have had the effect of waking up the leaders of the white men in the Tar Heei State and hurrying them to Washington. It has gotten out that the nominations of John B. Eaves, Collector of the Fifth District of North Carolina: Charles Price, United States District Attorney for the Western District of the State, and A. W. Shaffer, postmaster at Raleigh, have been hung up in the Sen-

Collector Eaves has arrived, as have Dr. J. J. Mott and "Logue" Harris, chairman of the Republican Executive Committee of the State, Postmaster Shaffer is expected to arrive this even ing. The candidates for confirmation profess not to know whence arises the opposition to them, and Chairman "Logue" Harris spent the day yesterday around among the colored Repub licans endeavoring to pacify them. He is a near relative of Collector Eaves and is much interested in his confirmation.

Collector Eaves' efforts at reconcilia tion yesterday began by announcing to J. H. Williamson that he had appointed a colored man to a messenger's position in his office at \$75, a month. "I ap-pointed him," said Mr. Eaves, "but he has not accepted the place as yet. I don't believe he wants it and I shall ap-point another colored man in his stead."

'The United States Blue Book for 1889 states that there are 307 governmental employes in the Fifth Internal Revenve District of North Carolina un-der the Collector," said a colored man to a reporter yesterday, 'and of this number there is one messenger at a salary of \$300 a year. The salaries of all the others foot up to \$75,810 a year. The colored leaders have looked this the and Mr. Fernesis to be saled to a salary of the salaries of up, and Mr. Eaves is to be asked to ex-plain how he can pay a messanger \$75 a month out of the \$300 a year which the Government allows for the position.

"This," said Mr. Williamson, this morning, "is a fair specimen of the way we are treated in this State. Mr. Eaves is no worse than the rest. Doubtless he meant to convince me that he is the best of the leaders of the white man's party when he said, with an effort to gladden our hearts, that he had appointed a colored man to a messenger's position. And this is the only colored appointment he has made or thinks it necessary to make. Think of it, this the fairest of the leaders of the white man's party, dealing out to the colored voters \$300 a year, while he distributes \$75,810 to his side. A W. Shaffer, the postmaster at Raleigh, has not given a clored man a place in his department. There is a colored janitor of the building, Stewart Ellison, whose appointment Mr. Shaffer spent more than a week here last fall trying to prevent. There is no man in the South who cares less for colored people than he, and he takes every occasion to keep them out of office.

"He is the least popular of all the white men in the State among the col-ored people, and he seems rather to encourage their animosity than their friendship. I believe his confirmation will be defeated by the Senate when his name comes up. It is hard to say whether Congressman Cheatham will fight the President's appointments in the State or not, but every important one was made in opposition to his wishes, as well as the wishes of all the other colored voters. We are begin-ning to fear, however, that he, like the other colored men whom we have pushed forward and given big positions to keep the race in line, has been

> 'To bend the suppliant knee, That thrift may follow fawning

'He will either have to stay with us in our fight against the white man's party or he will go under. By the way, I noticed THE CRITIC said yesterday that of the 730 Federal appointment in our State, the colored people held but thirty. That was a mistake. The number was too large by half, as only about fifteen colored men have places, and their salaries altogether will not smount to \$4,000 a year. While the white man's party distributes among themselves more than \$420,000 a year. In the face of this what is the use of our trying to keep up a party organiza-If we do it any longer we are fools, and deserve to be treated as such. They are discriminated against under this Administration more than ever before. The recognition of the white man's party has had the effect of stamping out the spirit of every colored man

Congressman Cheatham, who left on an express train for his home last Friday night after The CRITIC had announced the colored men's revolt, returned yes-terday, and he at once, the anti-Harricon men say, set out to do missionary work for the Administration by promis ing to secure places for the more outspoken of the colored revolters. said vesterday that he suspected two men, for whom he had secured places, with giving information to The Chirac of the treatment colored voters are receiving in his State, and that he was only waiting to find if he were correct in his suspicions before he gave them cause to regret it.

Don't Hawk, Spit, Cough, suffer dizziness, indigestion, inflamma-tion of the eyes, headache, lassitude inability to perform mental work and indisposition for bodily labor and approy and disgust your friends and ac quaintances with your nasal twang and offensive breath and constant efforts to clear your nose and throat, when Dr. Sage's "Catarrh Remedy" will promptly relieve you of discomfort and suffering, and your friends of the disgusting and needless in flictions of your loathsome disease?

Meeting Secretary Hurlburt.

The parlors of the Y. M. C. A. were well-filled last evening to meet Mr. C. E. Hurlburt, State secretary of the Pennsylvania Association. The occa-sion was the regular Gospel meeting for young men. The address was upon the topic, "Christ, Our Teacher," and was listened to with interest. These weekly gatherings show marked improvement as an attractive force, indicated by the large number who attend regularly. Mr. Hurlburt was given an informal reception at the close and left on the early morning train for Poun-

Vital Statistics.

During the past week the number of deaths reported at the Health Department was 104, of which 48 were white and 56 colored. This makes the death rate per 1,000 per annum: White, 14.7; colored, 36.4; rate per entire population, 21.6. Twenty-five were under 5 years of ago, 18 under 1 year, and 21

over 60. Twenty of the deaths occurred in hospitals and public institutions. The deaths by classes were as follows The deaths by classes were as follows: Zymotic, 12: constitutional, 29; local, 54: development, 8; violence, 1. The principal causes of death were: Con-sumptive, 22: diarrhoeal, 2; crystepelas, 2; typhoid fever, 2; malarial fever, 1; pneumonia, 19; brenchitis, 3. During the week the number of births were as follows: Nine white males, 15 white fe-males, 22 colored males, 11 colored females. Twenty one white and 6 colored marriages were reported.

They Stoned the Deacon. The congregation of the M-Street Colored Baptist Church have been an noved for a long time past by a gang of juvenile ruffians who hang about the spitting tobacco and making themselves generally objectionable. Last night two of them, named James Brown and James Budd, took possession of the church, and when Deacon Corbett tried o eject them they pelted him out of the nilding with stones, with which their jackets were filled. Judge Miller fined them \$5 each this morning.

Thought She Was Jackson. Mary Jane Jackson and Ada Martin, two pretty mulatto girls, started out to celebrate Shrove Tuesday last night by having a little carnival of their own on the street. At 1 o'clock in the morning they indulged in a sparring exhibition on Pennsylvania avenue, Ada an-nouncing in a loud voice that she was Peter Jackson and could knock out any man, woman or child in the city for any sum from \$25 up. Mary Ann will not take a dare, and the two were soon engaging in a first-class fistic encounter when a policeman came along and run them both in. In view of the fact that there is a regular craze among the col-ored people about Jackson Judge Mil ler let them both off with \$5 fines.

WHERE THE DANGER LIES.

The Mysterious and Sudden Ending of So Many Lives Fully Accounted For. The real danger from "Grippe" is in its after effects. Nine-tenths of all deaths resulting are from pneumonia. What is pneumonia? It is a sudden stoppage and filling-up of the lungs. Thick, heavy, poisonou mucous gets into the air-cells and prevent breathing. They clog up quickly and death ensues. The only salvation is to keep the lungs working and thus throw off this ter rible mucous. There is only one way in which this can be done, and that is by stimulating them. Under the influence of a proper amount of pure whisky the lungs draw in deep, full breaths and throw out

the potsonous air each time it is exhaled. But while this is true, and whisky has saved more lives than any other known remedy, if it is not pure whisky it is liable to have a bad effect. If it contains fusel oil, a headache or a foul tongue will be the result. On the other hand, when an absolutely pure whisky like Duffy's Pure Malt Whisky is used, no ill-effects can by any possibility follow. Professor Henry A. Mott says: "The purity of Duffy's Pure Malt Whisky (as simple, analytical tests will readfly convince) is absolute, and should recommend it to the highest public favor." To all, we unhesitatingly say, insist upon having Duffy's and do not be persuaded to take any other.
